

NIMRAH EMAN

UI/UX DESIGNER

Rawal Town, Islamabad | 03155316656 | emannimra123@gmail.com

PROFESSIONAL SUMMARY

UI/UX-focused Software Engineering student with hands-on experience in wireframing, prototyping, and usability testing. Skilled at designing user-friendly, visually appealing interfaces and translating user research into intuitive digital experiences. Adaptable, detail-oriented, and passionate about building efficient, user-centered digital solutions.

CORE SKILLS

- UI/UX Design, Wireframing, Prototyping, Usability Testing
- User Research, User Flows, Responsive Design
- Programming: C++, Python
- Web Development: HTML, CSS, JavaScript, PHP
- Productivity Tools: Microsoft Word, Excel, PowerPoint

EXPERIENCE

UI/UX Design Intern — Developer Hub Corporation

- Designed user interfaces for a mobile application, focusing on usability and visual consistency.
- Conducted usability testing on app designs to identify pain points and improve overall user experience.
- Refined UI/UX design decisions based on user feedback and testing outcomes.

PROJECTS

HER Shop — Final Year Project (UI/UX Design)

- Designed the complete UI/UX for HER Shop, an e-commerce shopping application.
- Conducted usability testing to evaluate and improve the app's user experience and interface flow.
- Created user-friendly, visually appealing screens focused on ease of navigation and accessibility.

E-commerce Website

- Developed a responsive e-commerce website using HTML, CSS, JavaScript, and PHP.
- Focused on UI/UX design principles to ensure a clean, user-friendly, and responsive interface.
